Waterman Center for the Arts

January, 2015

Happy New Year to all members and STLC supporters!

We are happy to present the new slate of officers and Board of Directors for the Save the Lyon Commission. Elected at the November 24, 2014, meeting at the Old National Hotel were;

President/Treasurer – Walt Longwell

Vice President – Patty Gurecki

Secretary – Julie Rock

Board of Directors –

One year – Curt Hopkins, George Walike

Two years – Betty Gerych, Rick Machuga

Three years – Nick Pelham

2015 has started with a great deal of excitement as we continue with renewed enthusiasm for fund-raising efforts to meet our \$75,000 Matching Funds Grant. To date, we have raised nearly \$15,000 and that does not include in-kind donations for contributions of materials and labor. This leaves us with the immediate obligation of coming up with \$60,000.

Donations can be made by individuals in any amount, families giving as a group, or class members giving as a class. Contributions can also be given in memory of or in honor of someone. See the last page of this newsletter for the donation form.

The NYS Dept of Parks, Recreation, and Historic Preservation awarded STLC this grant for the purpose of renovating the Primary Annex. Phase one will be to upgrade the electricity, plumbing, and heating in the Primary Annex plus the cafeteria. It will also allow us to install a handicapped-accessible bathroom and an entrance ramp at the back of the cafeteria. For more information go to the website, www.watermancenter.com.
